2 of 2 people found the following review helpful. Worth the purchase, will bring along. By Sandra Mericle Incredible detail in a "step by step" tour guide that provides some very interesting and diverse options. The included map with the marked tour gives the reader a greater understanding of the written guide.

2 of 2 people found the following review helpful. Sicily guide book By barbara h The book gives information about various tours in a clear and concise way. It gives choices and has maps which are useful. I am pleased with this guide and am sure it will help with the planning of the trip and when we are in Sicily.

2 of 2 people found the following review helpful. Good Highlights and general information By don Kinnan Well-written, nice maps. Would have liked more coverage of the entire island. I will be spending 3 weeks in Sicilia.

Insight Step by Step Sicily is the perfect travel guide to this popular Italian island, showing you where to go and what to do in 14 beautifully illustrated walks and tours. Easy-to-follow full-color maps accompany the routes, and there's travel advice on places to eat and drink along the way. Our well-known cultural focus highlights Sicily's rich history, from some of the best preserved Greek temples in the world (even better than in Greece) to the legacy of the Arabs and Normans. Discover the pl ...
